Dear Scouter:

To date, 107 Troops have turned in "Troop Applications" tentatively reserving space at Camp Owasippe or Kiwanis for 2,175 Scouts. This has filled all available space in certain camp periods and in some cases, Scout's applications could not be accepted because there was no more space.

It is now necessary that all Scouts included in these Troop "anticipations" turn in a properly filled out application, plus the reservation fee - \$2.00 for Camp Owasippe and \$1.00 for Camp Kiwanis.

After June 7, which is an extension of one week beyond the previously stated deadline, all Troop anticipations not covered by cash reservations as stated above, will be cancelled and the space so released will then be available to other Troops and Scouts as applied for.

At the time of writing this letter, there is still room for more Troops and Scouts in Beard, 3rd and 4th periods; West, 1st-3rd and 4th periods; Stuart, 4th period and in all periods at Camp Kiwanis.

Yours very truly,

Drew Walker
